

## Exclusive Media Event – Green Solutions@COP16

size=1 width="100%" align=center>

If you're attending COP 16 in Cancun next week or the Green Solutions@COP16 exhibit, click the below RSVP button to reserve your front-row seat to a presentation on the future of lighting given by Lionel Ramirez, president and CEO of GE Lighting's Latin America operation.

**When:** Monday, Dec 6 from 9:00 to 11:00am

**Where:** Coral Sea Room  
Green Solutions@COP16  
Hotel Coral Beach  
Kukulcán 234  
Cancún

**What is COP16?:** More formally known as United Nations' 16th session of the Conference of Parties, COP16 gathers delegates from across the globe to deliver concrete and effective results to tackle the global challenge of climate change.
